

LUNGevity

Find it. Treat it. Live.

ALL IT TAKES IS YOU

Fundraiser

Join us for the 7th Annual Firecracker 100 kickball game benefiting the LUNGevity Foundation, brought to you by the World of Outlaws Morton Buildings Late Model Series on Saturday, June 22nd at noon at the football field at Lernerville Speedway. The World of Outlaws officials are asking for your help by donating items to be included in the post-game raffle/auction. All proceeds will be donated to the LUNGevity Foundation, one of the nation's leading lung cancer non-profits dedicated to raising money and awareness for lung cancer. All contributions can make a difference. If you would like to sign up to participate or contribute to the raffle, please contact Tyler Bachman at 724-831-7109 or tbachman@dirtdcar.com. Thank you for your help and support as we look to raise another record-breaking amount at Lernerville Speedway's Firecracker 100 on June 20-22, 2019.
