### **Rules Package & Technical Support:**

- A proven rules package, along with strong technical support from RUSH. RUSH Tech Officials are equipped with the knowledge, technical tools and equipment that are needed to enforce and implement a strong consistent rules package that is critical to a successful crate motored racing series. Technical rules available on RUSH Late Model website <https://rushlatemodels.com/rules.html>
- A 24-hour technical hotline to assist in resolving any technical issues.
- A group of authorized engine rebuilders that are contracted through RUSH that are authorized to repair or rebuild Chevrolet Performance 602 or 604 Circle Track Engines. Annual offseason authorized rebuilder seminar is mandated.
- Sanctioned Speedway Promoters offered access to data and information, through the RUSH corporate office, for RUSH seals that have been issued for repaired/rebuilt engines.
- Series Technical Official "unannounced " visits
- Offseason Technical Seminars for Speedway Officials to help educate and assist speedways and competitors to fully understand and be able to properly interpret and implement RUSH technical rules package.
- RUSH and Hoosier Tire distributors will work together to ensure that the required Hoosier tires are sold throughout the region at the same price to each racer, with no "special" tire deals available.

### **Administrative Assistance:**

- A full-time, year-round office staffed with experienced personal to assist drivers and sanctioned speedways.
- A professional website that all regional speedways and competitors can utilize for up-to-date information; i.e. rules, points, schedules, memberships, etc.
- A full-time public relations person to assist tracks and their competitors in receiving national, regional, and local exposure. A weekly recap press release highlighting all RUSH-sanctioned speedway's results and upcoming events.
- Sanctioned speedways and drivers promoted via all social media outlets, i.e. Facebook, Twitter, etc.
