2021 GENERATION III SEALS, TIRES & RECORDING DEVICE BULLETIN (7/1/21)

*Please note the **three** changes below to the 2021 RUSH Late Model Rules...*

***On **rule #4** under **ENGINES**, we have removed the following verbiage: **Note: Generation III (yellow) seals will no longer be permitted effective 1/1/22.** The Generation III (yellow) seals will now be permitted until further notice.

***We have again extended the deadline on the ability to run the RUSH/USA 25 & Crate Racin' USA 55. The updated verbiage in **rule #1** under **TIRES** is in red and underlined and reads as follows:

1. Hoosier RUSH 25, RUSH/USA 25, RUSH 55, and Crate Racin' USA 55 are the only permitted tires for competition. The RUSH 25 and RUSH/USA25 must punch 46 or harder when checked cold, and the RUSH 55 and Crate Racin' USA55 must punch 60 or harder when checked cold. **Note: RUSH/USA 25 & Crate Racin' USA 55 will not be permitted effective 1/1/22.**

***We have added the following underlined verbiage in red to **rule #11 under TRACTION CONTROL/RADIO/TRANSMISSION DEVICES: Note: RUSH reserves the right to mount recording equipment below deck, with driver's permission. near rear bumper facing outward towards oncoming competitors for promotional purposes.**
