Touring points will be awarded at all Marquee Events and based on the number of events completed. Drivers/Owners will be able to use one Platinum Event (best finish) to replace up to a maximum of one missed Marquee Event. Drivers/Owners will be able to use a maximum of three Platinum Events (best finishes) to replace their worst Marquee Event point scores or a maximum of two if one of the Platinum Events is used as a replacement Marquee Event. Marquee Events may be rescheduled, but designated Platinum Events will not be used in the event less than 12 Marquee Events are completed. An X above denotes a dropped finish and Platinum Events Marked in Yellow denotes added events.
